Re: In re: PG&E Corporation and Pacific Gas and Electric Company – Case No. 19-30088

Dear Ms. Lockhart:

Please find enclosed Trident DMG's *Fourth Interim and Final Application of Trident DMG LLC for Allowance and Payment of Compensation and Reimbursement of Expenses for (1) the Interim Period From June 1, 2020 through June 30, 2020, and (2) the Final Period From July 18, 2019 through June 30, 2020* in the above-captioned case, including its exhibits and supporting certification. The Bankruptcy Court's Guidelines for Compensation and Expense Reimbursement of Professionals and Trustees provide that a debtor-in-possession, a trustee, or an official committee must exercise reasonable business judgement in monitoring the fees and expenses of the estates' professionals.

Please let me know if you have any objections, concerns, or questions with Trident's application or requests for fees and expenses. The Office of the United States Trustee will also accept your comments. The Bankruptcy Court will consider timely filed objections by any party in interest at the time of hearing, which will take place at a time to be announced shortly.

Yours truly,
